

## What do I need to do to become a full pilot teacher in the Teacher Community?

1. Go to <http://itec-teachers.eun.org> or click on iTEC Teachers' Community on the public homepage (<http://itec.eun.org>)

2. Log in with your OpenId account. If you don't already have one, you can create a European Schoolnet OpenId account by clicking on "Create account"

A screenshot of the 'Sign In' form on the iTEC website. The form has a title 'Sign In' and a text input field labeled 'Type here your Username/OpenID'. Below the input field, there is a small icon of a person and a note: 'If you have not created your OpenID on this website or if you are not using an European Schoolnet OpenID, please paste the whole OpenID.' At the bottom of the form, there is a 'Sign In' button and two links: 'Create account' and 'Forgot your password?'. The form is enclosed in a light gray border.

3. You will now see the registration page. Click "register" and provide information needed to become a member of the Teacher Community.
